

GEN HAKONE GORA

玄 箱 根 強 羅

- Located on the hills of Hakone Gora, a luxury hot spring resort near the Tokyo metropolitan area.
A modern and stylish high-end small hot spring resort overlooking the Hakone mountains and Sagami Bay.
- The word "GEN" originated from the universe that transcends time and space - harmony with nature – string people's thoughts up.
- All 18 rooms(an average size of 88 sqm), with a large deck overlooking the panoramic view of Hakone's nature, and an open-air bath that fuses modern, Japanese, and nature.
- All meals of highly artistic modern fusion kaiseki cuisine served at natural modern guestrooms rooms, with full of natural lighting,
- Mist futured public bath surrounded by large rock walls covered with moss and filled with natural light, with free-flow natural hot spring.
- From check-in to check-out, you can fully enjoy your cozy relaxing stay without leaving your room.
- Service connecting people's hearts and minds, brings back warmth, and supports behind the scenes without stepping into it.
